Dear Sir, or madam

I Elizabeth Johnson am writing your office
for the 3rd time by appealing my case on the probation
Violation. However: I was sent to Jail last Year
on 9/14/17, on the same probation Violation case,
whereby I do save my time for 2 months
and I was release on the 11/1/17.

Before: my release I do pay \$500,00
dollar 11/1/17 to the court in front of The
Judge, the Honorable William E. Garrithe.
Since then the Honorable Judge William E
Garrithe, been rescheduled me for Court dates,

which include 11/17/17, 12/15/17, 1/15/18 & 2/26/18.
 11/17/17 The Honorable Judge Williams E. Garntte
 do asked me to pay \$200,00 dollar & pay.
 Therefore: The Judge asked me to pay
 \$200,00 dollar on the 12/15/17 & pay.
 Moreover: The Honorable asked me to pay
 another \$200,00 dollar but, I do pay \$1800.
 However: After paying for both 11, 12, 1, my family
 was in a very difficult time and I do write the
 Judge twice but He disfigure my letters.
 The Judge rescheduled me for another Court date
 for 2/26/18, and I do put in an emergency
 motion at 500 pearl Street, and the Honorable
 received the motion and He Denier me.
 Because He asked me to pay \$1070,00
 on the 2/26/18, I was sent back to jail,
 on the same charges I sawer 2 months for.
 I felt that the Justice System fail me,
 during my incarceration at Rose M. Singer Center.
 Beginning 2/26/18 the Honorable Judge
 Williams E. Garntte, took the Criminal
 Case, to the Supreme Court on his desk
 for trial on probation violation. However:
 I was on bail bond for the same case
 probation violating on the 9/14/17, and
 I was release 11/1/17.

Exhibit

during my release I did what the Honorable Judge Williams E. Garritte expected of me by completing my community service, paying my restitution up to date.

However: The Honorable Judge allow probation to put me on trial through his Court falsely by asking me to take a plea deal, on both of my cases, which is assault and incident case. Moreover: I Elizabeth Johnson do requested for a video Simulize Futer on both cases which I believe will be enough evidence to prove my case innocently. Whereas: The Judge did refused my request.

How kind a Judge will refused such important information were means a lot to the case, during my Superior Court probation violation hearing.

But, the Judge said He believe what people are saying. Frerto: I was denien by my lawyer and the Judge who give me the 18-B lawyer who ~~claw~~

favor of the D.A. and the probation. Where's the Judge Sentence me for a year at Rose M. Singer Center at 4EB, and stay waiting for a trial in my Criminal Case. Could the Current System be meaningfully reformed for Example what if all the evidence, could be seen in court there for I will not be sentence. This is why I am kindly asking your respect offices to please take a serious look at my appeal as soon as possible. Although plea bargains provide clear advantages in a Criminal Evidence but not in my cases, people accused about their crimes, but they refused to show the right important information ~~to~~ I do requested for. It's my primary concern why I felt my cases deserves real justice, It's why I'm appealing my cases. Hopefully my appeal will be consider as soon as possible

I am writing to your office for immediate attention on many issue I been going with Staten Island Borough at 26 Central Ave Richmond County Superior Court with Honorable Judge Williams D Garrette who been violating my rights and harassing me and my family since 2015 to this present. Therefore it all started with my Section (8) case whereby I did take a plea deal so I can't go to jail for those reason (1) my mother was a Homebound person who can't be left only very sick at that time and my daughter was 11 months old living on breastmilk and my husband was working both shifts, those are the reason why I took the

plea deal. Because I wanted to stay with my family. However: Since I took this plea deal it has been a nightmare over my whole family, including my little girl who is 4 years old now. 9/14/2017 I did received a letter from the Honorable Judge Williams & Garnette asking me to report in his Court Room 9/14/17 at 9:30 I did when I got there Judge asked me to pay \$10,000 dollar otherwise I will be sent to jail, I did plea with Honorable Judge by telling him my mother Health Condition and that reason now I have \$5000.00 dollars to give him and he refuse the money, and send me to jail while I was in jail my mother died on me. I wrote to the Judge asking him for empathy on my mother bonding and child who was at home with Father and Him He refuse. For the second time 9/28/17. Soon after my mother passed away on me 10/30/17 the Judge release me on the same money, which is \$5000.00 11/1/17. However: Since then I had pay up to \$10,800 dollars but still he asking for more money and he keep scheduling me for court dates for me to pay money everytime I go to Court. The Honorable Judge Scheduled me for another court date on the 2/26/17 asking me to pay \$10,200.00 and I put in for an Emergency Motion and he received the Motion order and denied it. Send me back to jail again.

I when back to court 3/9/18 and my Husband pay \$ 1070, 00 and the Judge refuse to release and sent back jail. Moreover: the Judge on the 3/9/18 when I when back into the court the Judge, D.A and probation officers were laugh at me ~~into~~ in the court room, and sent me to ~~the~~ back to jail. The Judge rescheduled me on 3/14/18 and He ask me to pay another \$ 1000, 00 dollars. Then when arrived into the court He asked to plea quite to a indictment case I do refuse, and He sent me back to jail. why Furthermore we have a written agreement stating that I must pay \$ 4-4800 per month and I have already pay \$ 1400, 00, this is why I am kindly asking your respected office to please take this to your Court because the Judge Scheduled for a trial on the 3/29/18 but its pleasing to me, this I am trying to bring this situation to your attention immediately before 3/29/18. I am asking your office to please take a serious action on this issue please I need Justice From this office as soon as possible. Thanks

History of Present Illness

Notes:

57F with pain in her R elbow s/p a UOF who presented to clinic today c/o continued pain. The patient was seen by PA Roche, where she she became verbally aggressive and demanded to be placed in a cast because she feels that her arm is fractured. Also demanding to see the SMD. Prior to seeing the patient, I reviewed her imaging and did not see an acute fracture. A recent UrgiCare note was also appreciated, which did not see an acute fracture. I called them again today for further recommendations, as the official report is not yet available. UrgiCare again confirmed that the pt has a healed proximal radio-ulnar fracture with multiple bony fragments seen in the soft tissues and bowing of the radius and ulna, all old. The recommended that she remain in the sling for 2-3 days, but should mobilize her elbow as soon as possible.

During her encounter with PA Roche, her results were reviewed, but the pt continued to be verbally aggressive and was removed from clinic.

Reason for Appointment

1. Pt concern for fracture

History of Present Illness

Notes:

Pt seen by me in clinic (please see my previous encounter). Briefly 57 F with a h/o reconstructive surgery on her L elbow and remote radioulnar fracture who p/w pain in her L forearm s/p a UOF. The pt was very tearful, repeatedly requesting a cast for her arm. I discussed with the patient that she does not have a fracture and does not require a cast at this time. I explained that she has chronic changes from her old fracture, and likely has soft tissue injury at the site of the UOF, but that she does not have any new injuries to her bones. The pt did not completely accept this explanation. She asked to have her forearm wrapped to help with the pain. Given the low risk of harm in placing an ACE wrap on her forearm and the significant emotional benefit that would be provided from placing it, her L forearm was placed in an ACE wrap. Encouraged the pt to remove the sling, exercise her arm several times a day, and take NSAIDs for pain control. The pt declined NSAIDs and was hesitant to remove the sling, but agreed to attempt exercise several times a day. Will also refer to PT.

Elizabeth Johnson/Keisha Johnson the 4/13/18
 head of their movement for mess hall
 workers for more pay.

On behalf of all mess hall workers we
 are grieving Doc on 4/13/18 for higher pay.
 We are asking Doc to increase our salary to
 \$100.00 per week with 2 days off. Reason
 being mess hall workers are doing the most
 work for the least amount of pay. This is
 our petition

Dear Sir, Madam

I Elizabeth Johnson writing your office about the cases I was Volanted for by both Probation and Honorable Judge Williams E Garthie who send me to jail last year 9/14/17 on Assault and Accident Community Service, restriction payment

Meanwhile: when I was release on 11/11/17 I told by the Judge Honorable Williams E Garthie I Elizabeth Johnson most complete my community serve, being's my payment up to date, I did pay up to \$13,000.00 dollars. I most report to bail bond office every week to sign in I did everything I told by to do, and did all. But on the 2/26/18 the probation and Judge Honorable Williams E Garthie put me on another trail for the same reason that I have some time for on 4/2/18 while they put ^{me} back in jail again.

During the trail the prosecutor put the Accident case up, first by calling the children mother on the stand, who was with her children during the Accident, but Miss Ella Extavour went to court and testify against me in front of the Judge.

Therefore if you watch the Video she is no where around the childer but my lawyer Advice me

to accept the deal, after watching the video on 7/18/18 at Richmond County Court room underground. I asked my lawyer a question why you want me to accept such heinous charges, whereby prosecutor, probation and the Honorable Judge Williams & Garrithe process me for Assault. Therefore, now I see this video, take this deal with my legal and professional advice take the deal to misdemeanor so you can go home to your 4 year old baby. Because I see the video with you right now the children mother who testify against court is not in this video with the children, so now the prosecutor want you take misdemeanor. I Elizabeth Johnson accepted it just to go to my baby and she need me and I miss her for the last 6 months.

However, the second video Foster was seen in the Court room underground. Miss Karina Errali write a false statement against me, that I Elizabeth Johnson beat her up on 7/12/17 at the Social Security office, while she was working on dates. However Miss Karina Errali took some photos and give it to the D.A. office in Staten Island as a evidence that was use against me at the trial in the Supreme Court in the Court room, when prosecutor present the Assault case. They present the photos in front the Honorable Judge Williams & Garrithe and the probation is were the Judge called Miss Karina Errali on the stand, is were she testify against me. The prosecutor bring's these photos as injury, from the beating she miss Karina Errali brought against me. Now the video show that I Elizabeth Johnson never touch this woman who lie and testify against in Court, 4/16/18.

After seeing the true with my lawyer on the video Footer in the underground court room my lawyer again talk to me to please take the deal as a disorderly conduct which with Cassa will be same as time serve as the lawyer professional advice. Moreover to my lawyer advice by watching this video I asked why you want me to accept disorderly conduct After everything Miss Karina Brasi put me and my family through, my lawyer said please not it been as I Elizabeth Johnson took the deal.

I Elizabeth Johnson said it from beginning that I never beat this woman up or to ~~been~~ in Social Security Office on the 7/12/17. I told my first lawyer Mr Meekman Karen that I never hate this woman even but they never believe me, but they process me through the court system in Staten Island NY Richmond County.

Been dunny to my arrest for this Assault and the accident I do speak the true but no one believe until the video show everything. Since 2013 this case with Section (8) which I was force to take a plea deal with money ground battery charges in this country today when the prosecutor took me for Section (8) case the Honorable Judge Williams E. Garritte ^{never} give me a chance to proved my case but He send me to Rose M Singer Center for something I never did in my life before. This is how the Judge was force me again to take this Assault and Accident case whereby I never beat this woman and the children mother was on the

This is the reason why I am informing this court to please request for the video footer from my lawyer who name is Miss or Mrs Gina Izzo to send the video to this United States District Court for a serious evidence against Miss Karina Erra, Miss Ella Extavour, probation, D.A. of Staten Island, the Honorable Judge William F. Gamble, of Staten Island New City 10301. My lawyer number is 908 415 9131. Because of this case, my family including my 11 year old daughter begin homeless, while in jail. We marched out my family ^{out} of 116 Wakefield, Staten Island N.Y. 10314. Thank you in advance and in anticipation for your intervention and consideration in ensuring justice is done in my case.

Yours Faithfully
Elizabeth
Johnson
